TapZ was created and conceived in 2009 and it was the goal to bring the refreshing cold taste of draught beer tableside to our patrons. By offering a variety and only charging by the ounce our guests have the opportunity to sample different beers all at an "arm's reach" away.

Our menu reflects our commitment and love for beer by not only incorporating it into some of our recipes but by also choosing breads that accent some of the flavors of our beers. Our staff would be happy to make some suggestions and here at TapZ we use only the best ingredients. Our burgers are made fresh daily, hand pattied. Our soups are made from scratch and being located directly across the hall from Bully's we are able to offer their uniquely smoked meats on our menu.

We sincerely hope that you enjoy everything here at TapZ and if there is anything you need; please do not hesitate to ask. We are very grateful for your business.
